Prom

This year's grade 8 prom will look a little different. Grade 8 students were polled earlier in the year and they decided on a leaving ceremony rather than a traditional dance. On June 28th just Grade 8 students are invited to participate in a variety of outdoor events at SBMS. Various stations will be set up for students to try. We also have a live local band: DLO has volunteered to play music. Later in the evening, students will then attend a final dance in the gym. Some students wanted a formal dance and to accommodate their wishes and desires, SBMS will be having a semi-formal dance on May 13th. This will be open to all students, but Grade 8 students get in free. For both events to be successful it is critical that we have significant parental involvement. SBMS thanks those parents who have already volunteered to help at the May 13th dance or the June 28th event. More parents are necessary. If you are willing to help in any way send an email to: lamiller@ksd.mb.ca or wadelius@ksd.mb.ca. check Facebook for more information to follow.

Rock Paper Scissors

The 7th annual RPS tournament was held on April 25th. 4th – Katie “The Crusher” Dixon (6-6), 3rd – Shirley “the Danger” Ducharme (6-2), 2nd – Abby “The Angler” McKinnon and 1st – Chevy “No-Nonsense” Nicholas.

Parent Communication

Parents are reminded that while students are in school, they should not be texting or phoning their children on cell phones as this disturbs the class. All communications need to go through the main office. If the message is an emergency we will immediately call the student out of class to speak to you, otherwise students will be given any message you leave at an appropriate time.

Positive Behaviour

Students are reminded that only those who display positive behaviour during the month are allowed to attend extra-curricular events such as school dances. During school dances, our school rules apply and students are not permitted to use cell phones or cameras on school property. The phones in the office are always available for student use. Students who have been suspended or received a Saturday School are ineligible to attend, but can try next month.
